Quarterly Newsletter – Q1 2018

Welcome to the inaugural Wingo Service Company Quarterly Newsletter! The purpose of this publication is to collect and disseminate current events and important company information in one place for easy reading for all employees.

Contest for Astros Tickets

Wingo Service Company is having a contest to win (2) ea. Astros tickets! The game is Saturday, May 12 at 6:05 pm against the Texas Rangers. In order to win, you will need to send Edgar Wingo any items you select from the topics listed below:

- Best Customer Testimonial (submit a real statement from a customer, with their consent to use on the website, of a couple sentences and include the customer name and company)

- Best Company picture (submit a picture of a successful project or service job)
- Best Project success story (submit a couple of paragraphs about a project that was executed successfully)
- Best Newsletter article (submit a few paragraphs on a topic that is relevant to the company)
- Best FAQs (submit a list of Frequently Asked Questions with answers)
- Best Case Study (submit a couple of paragraphs)

The person that submits the best item from any of the topics will win the tickets! All submittals should be sent to Edgar Wingo, ewingo@wingocompanies.com, by Friday, May 4th. Multiple entries are encouraged to increase your chances of winning! Field Service Managers, please make sure to share this information with your employees. All Wingo Service Company Employees are eligible to participate.

New Hire Announcements

Matt Burtch started as an Electrical Helper on March 6th. Matt will work in the Electrical Division where he will report to David Norwood, Electrical Division Manager. Some of his job responsibilities will include providing support to the Team Leader and Supervisor, install and repair electrical equipment and fixtures, run conduit and pull wire, perform routine maintenance on electrical wiring and systems, and adhere to all quality and safety codes. We've hired Matt to improve support within our electrical construction crews. Matt has over 4 years of experience as an electrical helper, more recently he was an apprentice in Canada for 3 years and in that time

completed 1 year of electrical training at post-secondary institution. He has worked in Texas as an industrial electrical helper for about 1 year. Please join me in congratulating Matt and welcoming him to his new position.

Business Development Manager - Announcement

Effective immediately, Jeff Fabian will transition to our newly created position of Business Development Manager. Jeff has worked for our company for 5 years and has been an invaluable member of the Construction Division, previously serving as the Construction Division Manager.

This move recognizes the importance Wingo Service Company would like to place on growing the Construction Division and focus the company on generating new business in the Construction sector. Jeff has made significant contributions to Wingo Service Company during his tenure in his previous position and we would like to further expand on his skills and abilities to win more new projects. The Construction Division Manager roles and responsibilities will be taken over by Edgar Wingo Jr. until a suitable replacement can be found. I hope you'll all join me in congratulating Jeff and wishing him the best of luck in his new position.

New Company Website

We have a new website! Come check us out at www.wingocompanies.com and let us know what you think. We have tried to make it easier for our current customers, potential customers, potential employees and current employees to find out about our full range of services. We have separate pages for each of our four

divisions:
Electrical,
Instrumentation &
Analyzers,
Contract
Maintenance, and
Construction. A
photo gallery has

been added and we are always accepting new submissions to add to it. This website is continuously in a state of improvement so if you have any suggestions or corrections please contact Edgar Wingo Jr.
