2019 IN REVIEW

Barker/Addicks Dam Project

Josh and his crew have been trucking along out at the Dam as the project nears its final stages! While they've struggled with the rain outs, they've been doing their best to make up for the lost time with a great showing by a lot of capable individuals! There are a few finishing touches that will need to be completed after the main construction is wrapped up, but we can't help but look forward to stepping back and seeing this part of the flood preventative initiative come online.

Company Christmas Party!

First, we'd like to thank everyone that attended our year end Christmas party as it was a great turn out! We sincerely hope that everyone enjoyed the food, company, and games! Also, thanks going out to Pallotta's Italian Grill for taking such great care of us and to Jay for snapping some photos! Those are now up on the website if you would like to pull the photos of your family! If anyone has any suggestions for next year, please don't be afraid to send them to Marla and/or Alexis as help is always welcomed and it's never too early to start planning!

Wingo Making Moves Online

2019 was a big push for Wingo Service Company to be more present online. If you haven't been to the website in the last year or so, you may be surprised what you'll find. Information, of course, but we also put these newsletters, company photos (both work and play), and our company overview video for everyone's viewing pleasure! We also started a company Facebook page to reach people in a less formal way that includes job postings and company updates that go up every so often to keep our name out there! We encourage all our employees and customers to check them out!

WALK FOR A CURE!

This past October Marla and Alexis participated in Walk MS in The Woodlands to raise research money and awareness for Multiple Sclerosis. The walk was 3 miles and had about 500 people participating! Through some light fundraising they were able to raise \$395 towards the \$100,000 goal that was met, putting them in the top 50 fundraisers! The walk happens every year around October so if you're interested in participating in 2020 let them know and they'll send you the information when it gets close! If you have a cause that's close to your heart, you can let us know about it and we could try to participate in your walk as well!

FOOOORE A GOOD CAUSE!

As the spirit of fundraising continued, Bill, Edgar, David, Ron, and Waylon teamed up with Air Liquide to participate in a charity golf tournament in November! The Kidder Classic is a four-person scramble that raises money for The Houston Livestock Show and Rodeo and the Christy's Wish Foundation!

The Houston Livestock Show and Rodeo gives away tens of millions of dollars a year in scholarships, grants and graduate assistance. Recipients can select any field of study as long as they attend a Texas college. Colleges, themselves, also receive funding for their own graduate assistance departments while the rest of the money goes to other nonprofits as well as youth education programs specializing in agriculture and pioneer heritage.

The Christy's Wish Foundation is another nonprofit providing scholarships and grants! Named for Christy Crow, Christy's Wish sets out to raise awareness for Mononucleosis and provide students with financial opportunity to attend Texas A&M like Christy herself did before her passing.

Thanks for getting out there and showing that Wingo Service Company cares about more than work **and** has a few awesome golf swings!

ADD TO THE STORY IN 2020
